UTH4CHRIST/ SUMMER CAMP 2010/ VOLUME 1

Uth4Christ Camp 2010

Swimming. Art. Drama. Music. Smores. These are just some of the activities eleven youth ages 7-17 experienced at the third Uth4Christ Summer Camp July 31- August 3, 2010. This year's camp was held at New Bern KOA campsite in New Bern, North Carolina. It was five packed fun-filled days for the youth to enjoy themselves in a Christian environment.

Each day was filled with many activities from morning until night. It included art, dance, drama, sports, music, writing, swimming, fishing and games. Cabin cleanup competitions and small group time (bible lessons) were a part of their daily routines. The campers participated in special events such as the Christian carnival, Talent Show, Campout and Boy/Girl group discussions.

Although the campers were here having fun, they were also here to learn about God and having a relationship with Him. They attended Sunday church service, morning devotions, evening vespers, and a Sunset service on Monday night. Before leaving the camp, each camper is given the opportunity to give his/her life to Christ.

God, friends, and fun. That's what Uth4Christ summer camp is all about.

Don't be Shy, Show Your Gift

Uth4Christ Summer Camp interesting time. However, the Talent Show was excellent. Each and every camper had a chance to display their talents. Even if they were very simple or small talents, they still counted. It was very nice to see that we all could get together and have a fun and

interesting time. However, the best thing about the show was that some of our counselors participated as well. With all said and done this year, the talent show will be a memory that we will never forget.

Influence: Good or Bad?

Imagine a peach seed - its an oval shape and has a rough surface. Now when you imagine a peach seed, you probably think it won't grow. But what you don't know is that once you place the peach seed into the right environment it will grow and blossom. This happens because the peach seed has already been filled up before it is placed in the right environment. Now imagine you as the peach seed - God placed a seed in you but if you are not placed in the right environment - the word of God - your seed will not grow.

This powerful message came from our Elder Nance of Saints in Christ. Elder Nance explained to the youth and the older saints that God has standards for His people and its not just coming to church, then leaving out unchanged. The scriptures of the message were Psalm 139:14-18; Psalm 40:4, 5, 17; Isaiah 58:10-14 and

Isaiah 60:22. This message made the church understand that God has a purpose for us and He made us this way. It doesn't matter what people say about you because you are God's creation.

Thank you, Elder Nance for that powerful word.

Fun Fest Uth4Christ Carnival

BY: DAEKWON TOLES
CAMPER

At the carnival we played the Milk Jug game. You had to throw bean bags at the two jugs. In Water Toss you had to throw wet balls at the person who had the trash bag on. In the Giant Ring Toss you had five hula-hoops to throw around the pole from a certain distance. Another game that was interesting at this fun fest was the Wheel of Blessing. The object of the game was to spin the number wheel. Depending on whatever number the pointer landed on you had to perform a certain task. For example: giving ten high fives. In Darts you had to throw the dart on the dart board. In Face Painting, Gerard painted people's faces. In addition, there was a Sculpture Contest in which you had to make a sculpture out of clay. The winners were Alishia Daily (first place), Audwin Harris (second place), and Alisha Daily (third place). At the end of the carnival we had to count our tickets to be able to receive a prize base on the amount of tickets we gained. We had a great time.

UTH4CHRIST SONG

Uth4Christ, We do what's right.

We read the Bible and we praise Him all night.

We stand to fight, although we're young,

Because we know with God, we have won!
