### Acts 3:1-13 & 16

## In the name of Jesus Christ of Nazareth Rise up and Walk.

Peter and John, disciples of Jesus Christ, encountered a lame man at the gate of the temple. Reportedly, this man was lame from his mother's womb, and he laid daily at the gate of the temple

to beg for money. Peter and John previously worked as fishermen before deciding to leave all to follow Jesus and be His disciples. They went about doing the will as Jesus which was to preach the Gospel, save people from sin, heal the sick and set the captive free. They were on their way to the temple to worship when they met the lame man.

## SILVER & GOLD

The man asked them for money and they replied, "Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk." When they took him by the hand and lifted him up, the man's feet and ankle bones were strengthened and he leaped up, stood and walked! He was walking leaping and praising God!

The crowd looked on in amazement as the man rose up and was healed. They thought that the disciples healed him but Peter and John quickly told them that Jesus healed the man and it is through faith in Jesus Christ that we are made whole.

## EXCLUSIVE INTERVIEW

### with Peter AKA "Rock"

By Myia Jacobs

What was your relationship with Jesus?

I had a very strong relationship with Jesus. Before Jesus was crucified I was very shy and at one time my name was Simon. Jesus changed my to Peter because after his death I was very brave. NO longer a shy a quiet or person but speaking with confidence I wasn't afraid to share the Lord's word. I was referred to such as rock because of my boldness. I was very much like his right hand man to Jesus and never left his side.
